Guarantee Conditions: Housing guarantees are maintained by Student Housing Services.

A student's guarantee is removed if student fails to meet any of the following guarantee conditions.

- ▶ Continuous university housing at affiliated college, The Village, University Inn, or University Town Center.
- ▶ Adhere to all *Terms and Conditions* of residence (conduct and financial contractual responsibilities).
- ▶ Meet all published application and assignment deadlines.
- ▶ Participate in all college/housing facility room selection activities and requirements.
- ▶ Guaranteed students who petition to change their college affiliation in winter quarter (effective spring quarter) are eligible to retain their guarantee status if they establish residency at their new college (space permitting) in spring quarter and participate in the Priority Housing Application Period activities. Students who change their college affiliation in spring quarter (effective fall quarter) will not maintain their guarantee.
- ▶ Students who enter UCSC as an EOP student or become EOP during their first quarter of enrollment and are university housing residents will be eligible for the guarantee. The same practice applies to Regents Scholars, Karl S. Pister Leadership Opportunity Program recipients, and Smith Renaissance Society students. This includes new students who enter UCSC in winter quarter and live in university housing. A guarantee will also be extended to any continuing student living in university housing who is granted EOP status in any fall quarter.

Exceptions

- ▶ Living at home the first year at UCSC for financial reasons.
- ▶ Leave-of-absence for part of the year due to personal, medical or financial reasons.
- ▶ Participating in a program requiring residence away from UCSC.
- ▶ Other exceptions on case-by-case basis.

Appeals

- ▶ Written appeals will be reviewed by the individual college.
